Sir:

ELECTION AND REMARKS

This paper is responsive to the Restriction Requirement mailed December 15, 2005. This paper is being submitted within the 30 day period following the shortened statutory period set for response in the Restriction Requirement mailed December 15, 2005. A one month extension of time is being requested with this submission, as well as the appropriate small entity fee.

Applicants acknowledge the Examiner's requirement to elect one of the two inventions set out on page 2 of the Examiner's Letter, namely a first invention drawn to a container and defined by claims 1-7 and 10-20, and a second invention drawing to a process of making a container and defined by claims 8 and 9.

For purposes of examination, applicants elect the invention of claims 1-7 and 10-20, drawn to a container and classified in class 383.

If the Examiner has any questions or requires further information or explanation, he is invited to contact the undersigned at the telephone number provided below.

Respectfully submitted on behalf of applicants,

Terrell P. Lewis
